

# KEMET Part Number: ALT20A332BB040

Capacitor, aluminum, 3300 uF, -10/+30% Tol, -40/+85C, 40 VDC@85C

| Dimensions (mm) |           |           |
|-----------------|-----------|-----------|
| Symbol          | Dimension | Tolerance |
| D               | 30        | +/-1      |
| L               | 45        | +/-2      |
| S               | 10        | +/-0.1    |
| LL              | 10        | +/-0.5    |

**Notes:**

-Dimensions D And L Include Slewing

| General Information    |                                   |
|------------------------|-----------------------------------|
| Supplier:              | KEMET                             |
| Application:           | General Purpose                   |
| Part Type Description: | Solder Tag, Aluminum Electrolytic |
| Lead Type:             | 2 Flying leads (solder tags)      |
| Weight:                | 50 g                              |
| RoHS:                  | Yes                               |

| Specifications     |                  |
|--------------------|------------------|
| Capacitance:       | 3300 uF          |
| Voltage:           | 40 VDC           |
| Tolerance:         | -10/+30%         |
| Voltage:           | 46 VDC (Surge)   |
| Rated Temperature: | 85C              |
| Temperature Range: | -40/+85C         |
| Life:              | 15000 Hrs        |
| Leakage Current:   | 792 uA           |
| Leakage Condition: | uAmps (5min 20C) |

| Packaging Specifications |      |
|--------------------------|------|
| Package Kind:            | Bulk |

Statements of suitability for certain applications are based on our knowledge of typical operating conditions for such applications, but are not intended to constitute - and we specifically disclaim - any warranty concerning suitability for a specific customer application or use. This Information is intended for use only by customers who have the requisite experience and capability to determine the correct products for their application. Any technical advice inferred from this Information or otherwise provided by us with reference to the use of our products is given gratis, and we assume no obligation or liability for the advice given or results obtained.
